

Mid Ross Community Partnership

September 27th 2017

Agenda

- Welcome
- Apologies
- Actions from last meetings
 - Partners will be asked to update on any actions they had from the previous meeting
- Matters Arising
 - LOIP Conon Bridge – the partners will be asked to consider the draft driver diagram LOIP for Conon Bridge and allocation of actions, prior to this being put forward to the Highland CPP Board
- Children's Plan
 - Partners will receive a presentation on the current position of the children' plan and it development and consider how this can be progressed or modified given local concerns/pressures.
- Meeting Dates
 - Partners are asked to consider setting dates for the coming year and how best to organise meetings e.g. during the day/evening, rotation of locations etc.
- Terms of Reference
 - The Highland Third Sector Interface has suggested that a more detailed Terms of Reference for all the local Community Partnerships should be developed. A draft will be circulated as soon as we receive it. Please could you review the section on 'Roles and Responsibilities in the Community Partnership Toolkit before the meeting.
- Actions
- Next Meeting date confirmation
